

ITEM:	91-ES008: 8 PORT Desktop Ethernet Switch
Feature:	<i>Features:</i>
	Simple plug & play installation and use
	Easy to use with built-in error detection and correction
	Suitable for desktop use
	Ideal for Small Office, Home Office
	<i>Specifications:</i>
	8-port N-way (auto-negotiation) 10/100Mbps fast Ethernet switching hub
	Store-and-forward switching improves overall network performance
	Supports full-duplex switching bandwidth modes, allowing data rates of 10, 20 and 100Mbps
	Provides packet switching functions between all eight 10/100Mbps Ethernet ports
	10/100Mbps auto-sensing and negotiation allows flexibility between network devices
	Wire-speed forwarding: 148,800pps/100Mbps and 14,880pps/10Mbps
	High-performance memory bandwidth and expansion bus
	Supports the spanning tree protocol, eliminating network loops
	Supports broadcast storm control function
	Supports port trucking and load sharing for high-performance servers and inter-switch links
	Provides a convenient uplink port for cascading hubs
	Auto-partitioning and data collision control
	Auto-polarity detection
	Preamble regeneration and incoming frame retiming
Low power consumption	
Diagnostic LED's for power, link/activity, collision and full-duplex	
Meets IEEE 802.3u 100base-TX fast Ethernet, IEEE 802.3 10base-TX fast Ethernet, IEEE 802.3 10base-T Ethernet, ANSI/IEEE 802.3 N-way	
Auto-negotiation specifications Rack mountable/desktop type	
Complete switching features: auto-sensing of line speed, auto-negotiation of duplex mode, high performance and zero-packet loss flow control	
Easy to expand, upgrade and use to network users	
Carton Size (cm):	59*27.2*34
Box Size (cm):	29.5*14*7
G. W. :	16kg
N. W. :	15kg
Qty:	25pcs
Packing Details:	Weltron box
Product Size (LxWxH):	16*9.5*2.5cm
	Color: Black
